WOODLAWN, ST PETERSBURG, FL

One or more photo(s) has been virtually staged. Step into this 1925 historical home, where timeless charm meets modern refinements. The newly refinished hardwood floors gleam throughout, complementing the home's classic elegance. A winding staircase, intricate wood burning fireplace, large archways, tongue and groove ceilings, along with French doors and Barn doors alike... this residence effortlessly blends historic architectural details with contemporary style. It's a home that truly has all the feels - romantic, resembling the "Father of the Bride Movie." Located in Historic Woodlawn on a coveted Circle with other Historic homes and meandering oak trees, this special location also benefits from being in a Non-flood zone area. Some of the more modern updates include a gas stove, granite countertops, farm sink, stainless steel appliances, a large pantry, and the efficient, hard working laundry room is just off the kitchen. The AC is 2021, Roof is 2015, Interior paint October 2024, Hardwood floors were refinished October 2024. Step out back to the deck and enjoy your evening glass of wine. An added bonus, there is a 400 square foot garage that has plumbing for a half bath. This would make a great workshop, garage, studio or ADU depending on City of St. Pete regulations. There is an additional 121 square feet that was added when the sunroom was enclosed. Place this home on your "Must See" list today!
